

ADVANTAGE PLANK

Style. Quality. Performance. This collection features it all yet is budget friendly. Advantage Plank with SPflex Core Technology boasts a thick 12mil durable wear-layer on a dense, waterproof SPC core for superior indentation and scratch resistance.

Add a surface texture that gives the floor a realistic wood look and we've hit on a combination of beauty, performance and value we know will be a perfect addition to any room in your home.

Our floors are naturally hygienic and easy to clean making them family friendly and a great choice for active kids and pets
