

TENNESSEE RIDGE COLLECTION

Oak is a timeless visual and still one of the most popular and durable flooring species today. It has a long and diverse history in flooring dating back to the 1600's.

Today, nothing can compare to the warmth, character and value that a wood floor will add to your home.

Our Tennessee Ridge collection features the natural beauty, durability and history of Appalachian Oak flooring that only gets better with time. Responsibly harvested and Made in our USA plants it is available in multiple widths and stain options to fit your home décor.
